**Peoples Health Appoints Susan Mulderick to
Assistant Vice President of Medical Management Operations**

Metairie, La. – Peoples Health has announced the appointment of Susan Mulderick to assistant vice president of medical management operations. Mulderick oversees all departmental operations and works closely with various medical management teams to ensure appropriate care is provided to plan members in inpatient and outpatient facilities within the company's 14-parish service area, which includes New Orleans and Baton Rouge.

Mulderick brings more than 35 years of experience in nursing to her role at Peoples Health. She began her career as head nurse for the coronary and medical intensive care unit at Southern Baptist Hospital. Prior to joining Peoples Health, Mulderick served as director of critical care services for Mercy Baptist Medical Center, director of nursing for Memorial Medical Center and customer program executive for McKesson Provider Technologies. Most recently, she served as director of performance improvement for Ochsner Baptist Medical Center, where she was responsible for risk management programs, performance improvement oversight and hospital accreditation.

-more-

Mulderick earned a Bachelor of Science in nursing from Louisiana State University and is currently working toward a Master of Nursing at Louisiana State University Health Sciences Center. She is a registered nurse and holds a certification in nursing administration. Mulderick is a member of the American Nurses Association and America's Health Insurance Plans.

About Peoples Health

Established in 1994, Peoples Health is a Medicare Advantage organization serving Medicare beneficiaries in southeast Louisiana. The physician-owned company has over 600 employees who help administer and provide a unique approach to wellness, care coordination and support services for plan members. The company is a proud supporter of many social, cultural, athletic and health organizations and holds an accreditation by URAC.
