Peoples Health Appoints Jeannie Mace to Regional Administrator

Metairie, La. – Peoples Health has announced the appointment of Jeannie Mace to regional administrator for the Baton Rouge area. Mace oversees the Baton Rouge health services team to ensure plan members receive high quality and effective healthcare services in provider offices and inpatient and outpatient facilities. Peoples Health Medicare Advantage plans serve a 14-parish service area including New Orleans and Baton Rouge.

Mace brings more than 20 years of experience in healthcare administration to Peoples Health. Prior to joining the company, she worked in management and clinical capacities at healthcare agencies in Tampa, Fla., including Aetna/Prudential Healthcare and WellCare HMO. At WellCare HMO, she served in management positions, including ER program manager, senior manager of special populations and senior project manager in charge of utilization management policy and procedure compliance. In her early career, Mace worked as a social worker for Winter Haven Hospital, Lighthouse for the Blind, Woodland's Nursing Center and University Community Hospital.

-more-

Most recently, Mace served as deputy project director for Automated Health Systems in Baton Rouge, overseeing primary care case management operations for the administration and execution of the CommunityCare KIDMED contract for the state of Louisiana. She directed all aspects of the Provider Relations unit, responsible for promoting program services.

Mace earned a Master of Science in Management in healthcare management from Troy State University and a Bachelor of Social Work from Murray State University.

About Peoples Health

Established in 1994, Peoples Health is a Medicare Advantage organization serving Medicare beneficiaries in southeast Louisiana. The physician-owned company has over 600 employees who help administer and provide a unique approach to wellness, care coordination and support services for plan members. The company is a proud supporter of many social, cultural, athletic and health organizations and holds an accreditation by URAC.
