Peoples Health Promotes Kristie Marino to Vice President of Decision Support

Metairie, La. – Peoples Health has announced the promotion of Kristie Marino to vice president of decision support. Marino has been with Peoples Health since 1995, and in her current role oversees advanced data collection and reporting for the company. She is responsible for developing and maintaining automated and integrated systems for the retrieval, analysis, interpretation and presentation of data to support planning and operations at all levels of the organization.

Marino participates on the Senior Staff Implementation Team and Configuration Policy Committee for Peoples Health, whose Medicare Advantage plans cover a 14-parish service area including New Orleans and Baton Rouge.

After graduating from Louisiana State University in 1986 with a Bachelor of Science degree in quantitative business analysis, Marino began her career at Baptist Hospital in New Orleans as a budget data analyst. She later joined Aetna's information systems department in the property and casualty division.

Marino served as a member of the Louisiana Department of Health and Hospitals Health Data Panel, which helped the department implement the Louisiana Consumer's Right to Know Act by providing Louisiana healthcare consumers with expanded, Web-based access to reliable information on the cost, quality and performance of their healthcare providers and health plans. She often represents Peoples Health on Louisiana Association of Health Plans task teams and has participated in America's Health Insurance Plans' Operations Metrics Study Advisory Group to
