Peoples Health Appoints Linda Kasparek as Director of Claims

Metairie, La. - Peoples Health has announced the appointment of Linda Kasparek as director of claims. Kasparek will lead and manage the company's Claims department, which covers a 14-parish service area including New Orleans and Baton Rouge, by developing operational plans and projects for accurate claims processing.

Kasparek, a strategist with over 20 years experience in the health insurance industry, has led claims operations for companies in Missouri, Louisiana and Mississippi. Prior to joining Peoples Health, Kasparek worked as operations administrator for Precision Practice Management in St. Louis. For 10 years, she worked as director of claims operations for Blue Cross & Blue Shield of Mississippi, then as vice president of service operations overseeing key operational areas for the health insurance company. Her professional experience also includes director positions at Advantage Health Plan, Group Health Plan in St. Louis and Alliance BlueCross BlueShield of Missouri.

Kasparek earned a Master of Business Administration from Fontbonne College in St. Louis and a Bachelor of Science in business management from Maryville University, also in St. Louis. She has served on various boards between 1994 and 2010, including as a board member for the Mississippi Council on Economic Education and Amyotrophic Lateral Sclerosis (ALS), and as vice president for Adapt-Ability, an organization that enables people with disabilities through technology.

About Peoples Health

Established in 1994, Peoples Health is a Medicare Advantage organization serving Medicare beneficiaries in southeast Louisiana. The physician-owned company has over 500 employees

that help administer and provide a unique approach to wellness, care coordination and support

services for plan members. The company is a proud supporter of many social, cultural, athletic and health organizations and holds an accreditation by URAC. More information about Peoples Health can be obtained by visiting www.peopleshealth.com.
