**PEOPLES HEALTH APPOINTS IT MANAGER FOR
APPLICATIONS DEVELOPMENT**

Metairie, La. – Peoples Health has announced the appointment of Jay Nunez to information technology (IT) manager of applications development.

Nunez will be responsible for the support of the Amisys Advance system and applications development for the claims, enrollment and internal audit departments.

Nunez has more than 15 years of experience in the information technology field with extensive knowledge in Electronic Data Interchange (EDI). Prior to joining Peoples Health, Nunez worked for Bayou Steel Corporation for which he supervised the IT department.

Nunez earned his Bachelor of Science in computer science from Nicholls State University.

About Peoples Health

Established in 1994, Peoples Health administers Medicare benefits for 42,000 southeast Louisiana residents enrolled in the Choices 65, Choices Plus, Secure Health, HealthCare Select and Peoples Health Group Medicare health plans. More than 450 employees work at Peoples Health corporate offices in Metairie, Louisiana and a regional office in Baton Rouge. Peoples Health is accredited by URAC, a Washington, D.C.-based healthcare accrediting organization. More information about Peoples Health can be obtained by visiting www.peopleshealth.com.
