Peoples Health Promotes Diane Share to Director of Facilities Management

Metairie, La. - Peoples Health has announced the promotion of Diane Share to director of facilities management.

Share will be responsible for maintaining the office environment and purchasing goods and services to yield a cost-effective and positive work setting. She will also manage the PHN Association, through which contracted physicians can access value-added services such as online HIPAA compliance training, discounted on-site shredding services, medical waste services, medical/surgical equipment and office supplies.

Share most recently served as office manager for Peoples Health, for which she oversaw the purchasing of goods and services for the office and managed the operations of the mailroom and purchasing departments. Prior to joining Peoples Health, she worked at Tenet Physician Services as an operations analyst and fixed asset accountant, where she gained knowledge of physician practices, operations and office management.

Share earned her Bachelor of Science in education from St. Mary's Dominican College in New Orleans. She is a registered notary public with the State of Louisiana.
