Peoples Health Promotes Dawn Gwin to Corporate Training Director

Metairie, La.— Peoples Health has promoted Dawn Gwin to corporate training director, where she will supervise all aspects of the education and training department. Gwin will direct a broad educational curriculum for company-wide training on required job-related skills and functions. She will also develop and supervise specialized training programs, including new hire orientation courses and training on new company initiatives and regulatory procedures.

Gwin has over 20 years of experience in the healthcare industry. She served as the lead technical support analyst at Peoples Health, and most recently as corporate training manager. Prior to joining Peoples Health, which covers a 14-parish service area including New Orleans and Baton Rouge, Gwin worked for Ochsner Health Plan as a supervisor in the provider services department.

Gwin graduated from University of Phoenix, where she received a Bachelor of Science degree in information technology and a master's degree in information systems.
