Peoples Health Promotes Dr. J. Brent Wallis to Vice President of Clinical Integration

METAIRIE, Louisiana – Peoples Health, a Louisiana Medicare Advantage company, is pleased to announce the promotion of Dr. J. Brent Wallis to vice president of clinical integration. Wallis' new position reflects his enhanced role in fostering collaboration between Peoples Health and its network providers to ensure quality health outcomes for members of the company's health plans.

Wallis leads the newly created clinical integration department, spearheading efforts to support the company's growing network of providers and directing engagement strategies that promote key initiatives and goals. A physician executive, he brings more than 15 years of experience in the medical field to his position. Before joining Peoples Health as a market medical director, he served as market medical director and as a practicing physician for JenCare Neighborhood Medical Centers. He has also held several academic appointments at Louisiana State University Health Sciences Center New Orleans.

Wallis' full biography is available at <http://www.peopleshealth.com/about-us/executive-team>.
