# Picture yourself with Peoples Health.

Peoples Health is the choice of more than 80,000 people with Medicare in Louisiana. Founded in 1994 by medical providers and physicians, we focus on one thing: helping people with Medicare enjoy the best health possible.

Today, Peoples Health is part of the UnitedHealthcare® family of plans. Both organizations share a commitment to helping our members live happier, healthier lives. The path to that goal is different for everyone, so Peoples Health offers a number of plan options.

Choosing the right Medicare plan may be the most important decision you make. We hope this booklet – and perhaps a conversation with one of our plan representatives – helps you make the right choice for your health needs.

# More plan options. More ways to serve your needs.

It's never been easier to picture yourself with **Peoples Health**. Choose the plan that fits your needs.
