

# Medicaid Benefits

Information for people with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what Louisiana Department of Health covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage.

Coverage of the benefits described below depends upon your level of Medicaid eligibility. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call Louisiana Department of Health, 1-225-342-9500.

Medicaid may pay your Medicare cost sharing amount, but it will depend on your Medicaid eligibility level. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share.
