# Section 2

Unless you Choose Another Plan, You Will Be Automatically Enrolled in Peoples Health Choices Gold (HMO) in 2022

On January 1, 2022, UnitedHealthcare Insurance Company or one of its affiliates will be combining Peoples Health Choices Value (HMO) with one of our plans, Peoples Health Choices Gold (HMO).

If you do nothing to change your Medicare coverage by December 7, 2021, we will automatically enroll you in Peoples Health Choices Gold (HMO). This means starting January 1, 2022, you will be getting your medical and prescription drug coverage through Peoples Health Choices Gold (HMO). If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare. If you want to change, you can do so between October 15 and December 7. If you are eligible for Extra Help, you may be able to change plans during other times.

The information in this document tells you about the differences between your current benefits in Peoples Health Choices Value (HMO) and the benefits you will have on January 1, 2022 as a member of Peoples Health Choices Gold (HMO).

# Section 3 Changes to Benefits and Costs for Next Year

# Section 3.1 Changes to the Monthly Premium

Cost	2021 (this year)	2022 (next year)
Monthly Premium (You must also continue to pay your Medicare Part B premium.)	\$0	\$0

Cost	2021 (this year)	2022 (next year)
Monthly Medicare Part B premium refund	Up to \$40	\$0
(You must also continue to pay your Medicare Part B premium.)		

- ☐ Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as "creditable coverage") for 63 days or more.
- ☐ If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.

# Section 3.2 Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay "out-of-pocket" during the year. This limit is called the "maximum out-of-pocket amount." Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2021 (this year)	2022 (next plan year)
Maximum out-of-pocket amount	\$6,700	\$6,700
Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.	Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

### Section 3.3 Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at www.peopleshealth.com. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. Please review the 2022 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your

provider might leave your plan, but if your doctor or specialist does leave your plan, you have certain rights and protections summarized below: ☐ Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists. ☐ We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider. ☐ We will assist you in selecting a new qualified provider to continue managing your health care ☐ If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted. ☐ If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision. ☐ If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care. Section 3.4 **Changes to the Pharmacy Network** Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Provider Directory is located on our website at www.peopleshealth.com. # **Changes to Part D Prescription Drug Coverage**

#### **Changes to Our Drug List**

Our list of covered drugs is called a Formulary or "Drug List." **You can get the complete Drug List** by calling Member Services (see the back cover) or visiting our website (www.peopleshealth.com).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.

If you are affected by a change in drug coverage, you can:

	our doctor (or other prescriber) and ask the plan to make an exception to cover the ncourage current members to ask for an exception before next year.
Coverag	what you must do to ask for an exception, see Chapter 9 of your <b>Evidence of</b> e (What to do if you have a problem or complaint (coverage decisions, appeals, nts)) or call Member Services.
	your doctor (or other prescriber) to find a different drug that we cover. You can be serviced to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a drug that is not on the Drug List (Formulary) or when it is restricted in some way in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the **Evidence of Coverage.**) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you have obtained approval for a Drug List (Formulary) exception this year, please refer to the approved through date provided on your approval letter to determine when your approval expires. After the date of expiration on your approval letter, you may need to obtain a new approval in order for the plan to continue to cover the drug, if the drug still requires an exception and you and your doctor feel it is needed. To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage or call Member Services.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

#### **Changes to Prescription Drug Costs**

Note: If you are in a program that helps pay for your drugs ("Extra Help"), the information about costs for Part D prescription drugs may not apply to you. We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you receive "Extra Help" you will receive a "LIS Rider" by September 30, 2021. If you don't receive it, please call Member Services and ask for the "LIS Rider" to be sent to you.

There are four "drug payment stages." How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your **Evidence of Coverage** for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the **Evidence of Coverage**, which is located on our website at www.peopleshealth.com. You may also call Member Services to ask us to mail you an **Evidence of Coverage**.)

<sup>1</sup> For 2022, this plan participates in the Part D Senior Savings Model which offers lower, stable, and predictable out of pocket costs for covered insulin through the different Part D benefit coverage stages. You will pay a maximum of \$35 for a 1-month supply of Part D select insulin drugs during the deductible, initial coverage and coverage gap or "donut hole" stages of your benefit. You will pay 5% of the cost of your insulin in the catastrophic stage. This cost-sharing only applies to members who do not qualify for a program that helps pay for your drugs ("Extra Help").

#### **Changes to the Coverage Gap and Catastrophic Coverage Stages**

Our plan offers additional gap coverage for select insulins. During the Coverage Gap stage, your out-of-pocket costs for Select Insulin Drugs will be \$35 for a one month retail supply.

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your **Evidence of Coverage.** 

# Section 4 Deciding Which Plan to Choose

# Section 4.1 If You Want to Stay in Peoples Health Choices Gold (HMO)

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Peoples Health Choices Gold (HMO).

#### Section 4.2 If You Want to Change Plans

We hope to keep you as a member next year but if you want to change for 2022 follow these steps:

#### Step 1: Learn about and compare your choices

You can join a different Medicare health plan,
- OR- You can change to Original Medicare. If you change to Original Medicare, you will need
to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan,
please see Section 3.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read **Medicare & You 2022 handbook**, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to www.medicare.gov/plan-compare. Here, you can find information about costs, coverage, and quality ratings for Medicare plans.

As a reminder, UnitedHealthcare Insurance Company or one of its affiliates offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

#### Step 2: Change your coverage

be disenrolled from Peoples Health Choices Gold (HMO).
☐ To change to Original Medicare with a prescription drug plan, enroll in the new drug plan
You will automatically be disenrolled from Peoples Health Choices Gold (HMO).

# Section 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 to December 7.** The change will take effect on January 1, 2022.

#### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.3 of the **Evidence of Coverage**.

If you enrolled in a Medicare Advantage plan for January 1, 2022, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2022. For more information, see Chapter 10, Section 2.2 of the **Evidence of Coverage**.

# Section 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Louisiana, the SHIP is called Louisiana Senior Health Insurance Information Program (SHIIP).

Louisiana Senior Health Insurance Information Program (SHIIP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Louisiana

Senior Health Insurance Information Program (SHIIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Louisiana Senior Health Insurance Information Program (SHIIP) at 1-800-259-5300.

# Section 7 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:
☐ "Extra Help" from Medicare. People with limited incomes may qualify for "Extra Help" to pay
for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your
drug costs including monthly prescription drug premiums, annual deductibles, and
coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment
penalty. Many people are eligible and don't even know it. To see if you qualify, call:
☐ 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

☐ Help from your state's pharmaceutical assistance program. Louisiana has a program called
Louisiana Department of Health that helps people pay for prescription drugs based on their
financial need, age, or medical condition. To learn more about the program, check with your
State Health Insurance Assistance Program (the name and phone numbers for this organization
are in Chapter 2, Section 3 of your <b>Evidence of Coverage</b> ).
□ Prescription Cost-sharing Assistance for Persons with HIV/AIDS. The AIDS Drug Assistance
Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access
to life-saving HIV medications. Individuals must meet certain criteria, including proof of State
residence and HIV status, low income as defined by the State, and uninsured/under-insured
status. Medicare Part D prescription drugs that are also covered by ADAP qualify for
prescription cost-sharing assistance through the ADAP in your State. For information on
eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP in your
State. You can find your State's ADAP contact information in Chapter 2 of the <b>Evidence of</b>
Coverage.
