### Do I pay for sales tax?

Yes, all orders are subject to your local state sales taxes.

### How can I check my credit balance?

You may check your balance by visiting [HealthyBenefitsPlus.com/HWPCard](https://HealthyBenefitsPlus.com/HWPCard).

### How can I get a replacement card?

You may ask for a replacement card to be mailed to you by calling **us**.

### Are products always available?

The specific products offered may change over time. Item substitutions may be sent to you if the product you ordered is out of stock after placing an order by mail.

### What price applies at checkout?

Online pricing may not be the same as the over-the-counter + healthy food products catalog. The online price applies at checkout.

### Are all foods covered with my benefit?

Although your prepaid card can be used to buy thousands of covered OTC products and groceries, there are items that do not qualify. Some exceptions include pet items, alcohol, baby formula, candy, chips, coffee shop items, desserts, fresh baked goods, soda and tobacco.

### I currently receive some food assistance. Do I still qualify for this benefit?

Yes, absolutely. Your benefit works with other assistance you receive. When shopping in-store, you can use your prepaid card in addition to any assistance, coupons or in-store specials. Your monthly credits expire on the last day of the month, so consider using your prepaid card first.
