Live your best life with Peoples Health.

At Peoples Health, we focus on one thing: helping people with Medicare. And we've been doing just that for OGB retirees since 2008.

Here are a few of the questions that we get from OGB members considering this plan:

What is Medicare Advantage?

It's a health plan approved and regulated by Medicare to administer Medicare benefits. Peoples Health Medicare Advantage plans provide more benefits than Original Medicare.

How do I choose Peoples Health?

Simply complete an enrollment request form and mail it to OGB's **Eligibility Department, P.O. Box 44036, Baton Rouge, LA 70804**. Or fax a completed enrollment request form to OGB at **1-225-342-9917** or **1-225-342-9919**.

Peoples Health + UnitedHealthcare

Since joining the UnitedHealthcare family, we have been able to expand many benefits and services. And 2024 brings enhancements that have been on our wish list for years. Here is a big one:

UnitedHealth Passport® program—Peoples Health has always offered worldwide emergency and urgent care coverage. Now members have access to plan-covered services while traveling outside their plan service area in the United States. The Passport program lets members access covered services with participating providers in the Passport service area at in-network costs.

Still, the best part is this: As a Peoples Health plan member, you enjoy the quality that comes from people who really care. Peoples Health is a company born and raised in Louisiana, and our members have been our neighbors, our friends and our family. It's simple. We want you to enjoy the best health possible.
